COMMUNICATION NO. 001

REVISION TO ISAM TESTS & NATIONALS REGULATIONS

Dear ISAM Members,

As we gear ourselves towards ISU competitive skating, ISAM has taken a step forward towards redefining our Test Rules and Nationals Regulations. We believe this will put our skaters in a better standing internationally.

For the past 2 years, Ms. Lisa Jelinek has been a judge in our Nationals. She also provided expert advice in the computerised judging system (IJS) that ISAM and all ISU competitions use. Lisa has now been appointed, by ISU, as the "ISU Coordinator for Competitions in Asia Oceania".

As such, she has come up with Test Rules and Nationals Regulations, that are ISU compliant, to be adopted by ISU-affiliated and "to-be-affiliated" ice skating associations in the area. SISA (Singapore Ice Skating Association) is the first to do this.

As such, the ISAM Exco has endorsed that ISAM will adopt these Test Rules and Nationals Regulations. This will ensure similar competition categories and will simplify judging, for Malaysia and Singapore, to start with. Our adoption of these rules and regulations will also be an added bonus in our application for affiliation to ISU. Note that the Novice, Junior and Senior categories are already as per ISU Communications.

This will take effect immediately and all skaters, coaches and parents will need to update themselves immediately. VERY IMPORTANT...Please read all relevant Communications and refer to website www.isam.org.my for detailed information.
