## **18. REMARKS ON SHORT PROGRAM ELEMENTS**

### **18.1 PRIMARY AND NOVICE**

No extra marks are obtained by extending the program to the maximum time allowed if this is unnecessary. The music is chosen by each Competitor, but vocal music with lyrics is not permitted.

Unprescribed or additional elements such as jumps, spins, steps or repetitions, even of elements which have failed, are not marked and consequently do not block a “box” (spot ) of another type of element.

If, however, such an unprescribed or additional element (performed) substitutes a required element (not performed), the respective box will be blocked and this performed element will be considered as not according to the requirements (no value).

If a skater falls when entering a spin, a spin or a spinning movement is allowed immediately after this fall (for filling time purpose) with this spin /movement not being marked.

#### **18.1.2 Jumps**

A single spread eagle, spiral or free skating movement cannot be considered as meeting the requirements the requirements of connecting steps and /or other comparable free skating movements and must be considered by the judges in the Grade of Execution (GOE).

#### **18.1.3 Jump Combinations**

No change of foot or turn is allowed at any time between the two jumps which must directly follow one another (except for touching down the non-tracing foot in to jumps). In the case of jump (including toe jumps) special attention must be paid to a clean spring from a true edge and to a clean landing. Any jump commenced or landed on two feet must be considered by the judge in the Grade of Execution (GOE).

##### **Primary:**

The solo double jump may be repeated in the jump combination.

##### **Novice:**

The jump combination may consist of the same jump or another double jump. However, the jumps included must be different from the solo jump.

If the same jump is executed as a solo jump and as part of the jump combination, the last performed of these jump elements will not be counted, but will occupy a jumping box (if this elements is a jump combination, the whole jump combination will not be counted ).

#### **18.1.4 Spins**

Refer ISU Rule 510 paragraph 4, Remarks Single Skating, Spins Paragraph 1 and 2.

#### Spin in one position

The competitor is free to choose either the camel position, sit position or upright position to be executed. The spin must not change foot and shall have a minimum of six (6) revolutions.

#### **Novice:**

The spin must not change foot and shall have a minimum of eight (8) revolutions.

#### Flying spin

Any type of flying spin is permitted. A step over must be considered by the judges in the Grade of Execution. In the flying sit spin changing foot on landing is permitted. No previous rotation on the ice before the take-off is permitted.

The spin shall have a minimum of eight (8) revolutions in the landing position.

#### e) Ladies – Layback or sideways leaning spin:

Refer ISU Rule 510, paragraph 4, Remarks Single Skating , e) Ladies – Layback or sideways leaning spin.

### **18.1.5 Spin Combinations**

The change of foot may be executed in the form of a step over or a jump. The change of foot and the change of position may be made either at the same time or separately.

During a change of position, a difficult variation of position can be executed. The minimum number of revolutions required in each position is two (2) without interruption. In case this requirement is not fulfilled, the position is not counted.

The change of foot in the spin combination must be followed by any spin position with at least two (2) revolutions. If there is no spin position after the change of foot with at least two (2) revolutions, the spin combination is not according to the requirements and no value will be given.

A spin combination executed with less than 2 revolutions in all executed positions is considered as a “spin combination not according to the requirements“, receives no Level and therefore no value.

A spin combination executed with only 1 position with at least 2 revolutions (as to requirements) and in all other positions less than 2 revolutions (not to the requirements) receives Level 1 and the judges will also reduce the GOE.

#### **Primary :**

the spin combination must consist of one change of foot and at least one change of position (sit,camel,upright or any variation thereof) with not less than six revolutions on each foot.

#### **Novice :**

The spin combination must consist of only one change of foot and at least two changes of position ( sit, camel,upright or any variation thereof) with no less than six revolutions on each foot. Any spin combination must be included all three basic positions or their variations.

### **18.1.6 Step and spiral Sequences**

Refer ISU Rule 510, Paragraph 4, Remarks Single Skating, Step sequences

#### **18.1.7 Spiral sequence ( Ladies ) :**

refer ISU Rule 510, Paragraph 4, Remarks single Skating, Spiral sequence ( Ladies )
