Dear Member Federation

SOUTHERN SKATE INTERNATIONAL, DUNEDIN, NEW ZEALAND

The New Zealand Ice Skating Association wishes to invite your Novice, Junior and Senior Singles Skaters to attend the Southern Skate International Competition which we are holding in Dunedin, New Zealand from 4th to 8th August 2010.

After the success of our inaugural International Competition last year we are now hosting a 2 yearly international competition. We have applied to the ISU to have the Southern Skate International listed on their events calendar.

Dunedin is in the lower half of the South Island, New Zealand, full of history, wildlife and known for its southern hospitality.

We have attached an Announcement and Expressions of Interest Form. Please return Expression of Interest Form to us by 15th April 2010, either by e-mail or fax.

The New Zealand Ice Skating Association is looking forward to welcoming your skaters to this exciting new competition.

Yours faithfully

NEW ZEALAND ICE SKATING ASSOCIATION (INC)
